Lambertucci-Roma Ranch Assessment, Esmeralda County, NV  
Contract # 06-015**

Dear Mr. Whitford,

The Nevada Division of Environmental Protection has received and reviewed the Lambertucci-Roma Ranch assessment report submitted by your office as part of the Nevada Brownfields Program contract. The Nevada Brownfields Program has approved the submitted report without comments; therefore, the report represents a final deliverable under the Scope of Work governing the project. As the final task of the project scope of work, the approval of the assessment report also signifies project closeout.

As part of closeout, please submit any outstanding invoices for work related to the project. A final invoice should be prepared, marked as "final", and submitted to reflect all outstanding work. The final invoice should also request the release of any retention which may have been held from previous project invoices.

If you have any questions, please feel free to contact me at (775) 687-9384.

Sincerely,

Scott Smale
